To The Secretary to the Government of

Dated Calcutta, the 22nd February 1929.

Sir,

Beruck & Comens.

I have the honour to acknowledge receipt of your letter No.P.4391/Law dated 12th February 1929 intimating me the correction regarding the reduction of interest and have noted its contents.

Mr. E. Beruck of Messrs. Beruck & Comens saw me recently and promised to pay the amount due to the Mysore Government in course of the next month and requested me to stay my hands till then. In view of what is stated below, I agreed, subject to his depositing security, to give him time till the 19th of March 1929. Accordingly he has deposited with me securities belonging to him personally to be held as security for payment of the claim and at present market values, this security is quite sufficient to satisfy the claim.

The decree is in course of preparation and it will not be ready for the purpose of execution till the end of the current month. In executing the decree I may be faced with many difficulties and there is always the risk of litigation arising from attachment of property not the property of the defendants.

Under the circumstances I trust the course adopted will be approved.
